

THE MISSION OF PREVENT CHILD ABUSE OKLAHOMA

is to prevent the abuse and neglect of Oklahoma's children through parent education and support. Prevent Child Abuse Oklahoma was founded in 1988 as a resource for families. Being a new parent can be daunting, even in the best of circumstances. For some families, circumstances are dire. They have no support, no income, no hope.

Our staff and volunteers work with parents, many of them first-time mothers and fathers, to create a safe, healthy and loving home for their children. Our programs have been proven to increase medical care for children, prepare children for school, increase self-sufficiency of families, promote positive parenting practices, and prevent child abuse and neglect. When a family is given the resources it needs, children thrive.

There will always be new trials for today's families, but Prevent Child Abuse Oklahoma and its staff are available to help. From parenting and life skills, to improving self-worth and providing friendly mentoring, our programs are able to ease many of the problems that often lead to child abuse. Together, we can truly make a difference in the lives of Oklahoma's children.

"Every day in Oklahoma, children are affected by abuse and neglect. Children should be able to grow and dream in a safe and loving home. Prevent Child Abuse Oklahoma helps families provide that kind of home so that children can not only dream, but achieve their goals."
